**Commissioner for Patents**

The reply filed on 22 December 2003 and entered 30 March 2004 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): The status of each claim is not identified in accordance with 37 CFR 1.121(c) (attached). In particular each claim must have an identifier selected from the that listed in 37 CFR 1.121(c). The applicants have modified an identifier to state "canceled herein" which should be corrected to "canceled". In addition numerous claims do not have an identifier. The intent of 37 CFR 1.121(c) is to produce a document beginning on a separate page that may be scanned in by the office into the electronic file wrapper that replaces all prior claim listings and serves as an updated record of the status of all claims the applicants have filed during prosecution. For this reason the requirements of 37 CFR 1.121 are strictly enforced. See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. **EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).**
